## Meet your Tour Leaders

---

Tour leading for his favourite tour company, Titch Global Tours is Michael's main retirement hobby and fun, assisting his daughter Mandi Aliverti.

Titch offers regular, fully-escorted tours to exotic destinations, catering for the "mature traveller". Michael has been leading tours for over 40 years, starting as early as his University days; that passion is still with him. He is fortunate to have his partner Linda Godlonton accompanying him, assisting him on most of the tours.

Michael loves life and seeks at all times to share his love of travel, as well as his travel brand of *joie de vivre*, with his fellow travellers, who become lifelong friends.

Mandi was born practically with a backpack on her back and a head filled with dreams of adventure. Given both her parents working in the industry, it's no surprise that Mandi went on to complete studies in travel and marketing before jetting off to explore the world.

She later returned to South Africa where she worked in the family travel business before being appointed as MD of Titch in 2008. In addition she holds the appointment as MD of Travel Concepts, as part of the Concepts Collection Group.

Mandi is married to her Italian husband Federico and they have 2 children, Gabriella and Claudio. Mandi promises to share her love of travel and all places foreign!
