# Meet your Titch Tour Leaders

---

Tour leading for his favourite tour company, Titch Tours is Michael's main retirement hobby and fun, assisting his daughter Mandi Aliverti.

Titch Tours offers regular, fully-escorted tours to exotic destinations, catering for the "mature traveller". Michael has been leading tours for over 40 years, starting as early as his University days; that passion is still with him. He is fortunate to have his partner Linda Godlonton accompanying him, assisting him on most of the tours.

Michael loves life and seeks at all times to share his love of travel, as well as his travel brand of *joie de vivre*, with his fellow travellers, who become lifelong friends.

Mandi was born practically with a backpack on her back and a head filled with dreams of adventure. Given both her parents working in the industry, it's no surprise that Mandi went on to complete studies in travel and marketing before jetting off to explore the world.

She later returned to South Africa where she worked in the family travel businesses Titch Travel & Titch Tours for 12 years before being appointed as MD of Titch Tours back in 2008. In addition she holds the appointment as MD of Travel Concepts, as part of the Concepts Collection Group.

Mandi is married to her Italian husband Federico and they have 2 children, Gabriella and Claudio. Mandi promises to share her love of travel and all places foreign!

## 11 OCTOBER | DEPART SOUTH AFRICA

Overnight flight from South Africa to Hanoi, Vietnam.

## 12 OCTOBER | ARRIVE HANOI | D (2 NIGHTS)

Upon arrival at Noi Bai Airport, we will be met and transferred to our hotel. We will enjoy a **traditional Vietnamese cuisine** dinner at **Madame Hien Restaurant** and visit an old house on Ma May Street to enjoy Ca Tru, a type of **Vietnamese religious music** (or chamber music), an old tradition from the North. In the 15<sup>th</sup> Century Ca Tru was played for ceremonies and entertainment in the Imperial Court; this traditional show has different types of singing skills, dance, instruments and costumes.

## 13 OCTOBER | HANOI | B L D

We will start the day by exploring the historic **Ho Chi Minh Mausoleum**, an imposing monument lavishly-built, using marble and granite, where the preserved body of “Uncle Ho” resides. Behind the Mausoleum, we will see **Ho Chi Minh's House**, indeed a modest dwelling, in keeping with his character and way of life. This simple structure (where Ho Chi Minh lived and worked) is made of wood, set in tranquil surroundings, with a view of a lotus pond. Ho Chi Minh’s belongings are on display and we can walk up the steps of the house to see where and how he lived. A short walk from the Mausoleum takes us to the **lotus-shaped One Pillar Pagoda** – resting on a single stone pillar, **emerging from the water**. We will continue afterwards to the **Temple of Literature**, the first University for the sons of Mandarins, for an overview of Hanoian culture. We will also gain an appreciation for ancient Vietnamese architecture. In the afternoon we visit the **Museum of Ethnology** (a 20-minute drive out of town), which provides a fascinating insight into Vietnam’s 54 ethnic minority groups. Thereafter we drive back to Central Hanoi for an hour **cyclo tour through the Old Quarter**, to enjoy the bustling local life. We will round off the day with a show at the **water puppet theatre** - a uniquely-North Vietnamese art form, depicting scenes of rural life and episodes of national history.

Dinner is served at a local restaurant.

## 14 OCTOBER | HANOI - HALONG | B L D (1 NIGHT)

After breakfast, we will depart on the 3 hour journey to **Halong Bay**, stopping en route for a break at Dai Viet Centre – the best place to stop and stretch our legs! On arrival in Halong Bay, we will board our **exotic junk**, settle into our cabins and prepare ourselves for an enjoyable **lunch on deck**. In the afternoon we visit the mysterious **Tien Ong Cave**, adorned with stalactites and stalagmites, and onto the **Cua Van Fishing Village**, the largest fishing community on the Bay. Back at the boat, we will participate in a **cooking class** with the chef; hopefully also enjoying not only our culinary handiwork, but also the sunset and a **sundowner on the top deck**, all just before dinner.

Dinner and overnight on board the junk boat.

## 15 OCTOBER | HALONG - HUE | B L D (2 NIGHTS)

Today we will prepare to rise early and greet the day with a refreshing **Tai Chi class**; making our way to the upper deck. We will transfer from the main boat to a small beach on **Ti Top Island** where those wanting or needing some exercise are challenged to a 20 minute climb to the top of the island. Later we will re-join the main boat and subsequently transfer back to Hanoi around 11h00.

Transfer to airport for evening flight to Hanoi. **Fly Hanoi – Hue 18h30-19h40.**  
On arrival in Hue, met and transferred to our hotel. Dinner is served at local restaurant.

## 16 OCTOBER | HUE | B L D

Following breakfast, we will enjoy a **city tour** around **Hue**, which served as an Imperial Capital to the Nguyen Lords, a feudal dynasty which reigned from the 17th – 19th Centuries and behold the splendid Emperors’ Tombs, ancient pagodas and the remains of The Citadel, proof that the city still retains its royal charm. Starting from our hotel, we will have a fun **10 minute cycle ride** to the **Imperial Citadel**, a UNESCO listed site. Entering through the towering main gate, we will appreciate the magnificent architecture and gardens, while our guide explains the events and intrigue of the former Royal Court. Despite being bombed heavily in the “American War”, there are some incredibly well-preserved sections still intact, plus others which are being lovingly restored. From there, we move onto **Thien Mu Pagoda**, Hue’s best-preserved religious monument. Standing on the river bank with its seven-storey tower, the pagoda is a sight to behold. In the afternoon, we take a 30-minute drive to the elaborate **Khai Dinh Royal Tomb**. Its architecture and atmosphere showcase elements of Eastern art and Western designs. Continue to the serene **Tu Duc Royal Tomb**, designed to blend in with its natural surroundings, and built on the principles of feng shui. Transfer back to your hotel with a stop for a **drink at Vong Canh Hill** which offers an amazing view of breathtaking scenery and ancient relics. The hill itself is now covered with pine trees and daisies.

Lunch & Dinner is served at a local restaurant

## 17 OCTOBER | HUE - HOI AN | B L D (1 NIGHT)

Today we will enjoy a **walking tour of Hoi An**, which was a prosperous trading port between the 17th and 19th Centuries. Today this World Heritage-listed ancient town boasts well-preserved buildings, pedestrianized streets and unique cuisine, allowing visitors a glimpse of its illustrious past. The narrow lanes are ideal for a guided walking tour. There is plenty to see, including the old merchants’ houses, their designs displaying influences of Chinese, Japanese and Vietnamese architecture. Enjoy also the unique **400-year-old Japanese Covered Bridge**, a spectacular sight; the Assembly Hall of the Chaozhou Chinese Congregation with its outstanding **wood carvings**; and the colourful market with stalls brimming with local specialties, including silk. The latter can be turned into fashionable garments within a day or two, so why not indulge? Enjoy an hour-long **boat trip** on the Thu Bon River for up close views of fishing boats and country villages before returning to your hotel.

Lunch & Dinner is served at local restaurants.

## 18 OCTOBER | HOI AN - SAIGON | B D (2 NIGHTS)

Enjoy your leisure time until check-out and transfer to Danang Airport for flight to Saigon, **Fly Danang-Saigon 14h05-15h35**. Upon arrival, your guide will transfer you to our hotel. After that, discover **Saigon** night life, meet up with your **foodie guide** at a local coffee shop for a tour briefing, before setting out to discover some of the **best street food gems** you can imagine. Join the queue at a local **banh mi shop** for some of the **best bread** in Saigon. Drive or walk to a banh cuon eatery (steamed rice flour **crepe** filled with **pork**), a dish originally from North Vietnam, but now popular throughout the country. Next, sample banh trang nuong, a **pizza-like snack** from Dalat loaded with interesting toppings. Indulge your sweet tooth at a nearby **dessert stall** selling delicious choui nep nuong (**grilled banana with coconut milk**). Your final stop will be at a busy eatery famous for its fresh **grilled seafood**, best washed down with a cold local beer. Return to your hotel in the late evening.

## 19 OCTOBER | SAIGON | B D

This morning after breakfast, we will be met and transferred via a 2-hour drive Northwest of Saigon, through urbanized areas and typical lush southern Vietnamese countryside, to the famous **Cu Chi Tunnels**. The tunnel complex was initially started in 1948 to protect the Viet Cong guerrillas from French air and ground attacks. The tunnels also served as communication routes, storage facilities for food and weapon caches, as well as hospitals and living quarters for guerrilla fighters, and all this amazing activity lasted throughout the so-called American War. A visit to the **underground villages** will provide a better understanding of the tunnels' functions and **history**, the hardship of life in the tunnels and Vietnamese resilience during combat.

We will return to Saigon (now officially known as Ho Chi Minh City) for an **afternoon city tour**. The city is the country's commercial centre and, with over **8 million inhabitants** and some **4 million motorbikes**, it is a city which never sleeps! Despite the well-documented hustle and bustle, Saigon retains its connections with the past. Enjoy the city tour to admire Saigon's historic landmarks, including the **Notre Dame Cathedral**, a red brick edifice with twin spires based on the original construction/design from Paris (it is only possible to visit inside when no service is being held). Then head across the square to the **Central Post Office**, designed by the French architect, **Gustave Eiffel** (yes, he popped elsewhere with a Tower, named after him!). We continue our visit to the former Presidential Palace, the headquarters of the Saigon Government during the American War, revealing the history of Saigon during its recent turbulent past. Thereafter we drive to the War Remnants Museum for a revealing insight into the American War through the local citizens' eyes, noting that some of the photos are graphic and disturbing.

Dinner and overnight in our Saigon hotel.

## 20 OCTOBER | SAIGON - CAN THO – CHAU DOC | B L D (1 NIGHT)

We will leave Saigon early on this day, travelling some 2 hours to the Southwest, witnessing lush rice paddies and fruit farms alongside the highway. Upon arrival in Cai Lay, we will board a **charming wooden boat** to enjoy countryside scenery and river life and then stretch our legs; at which point we will **hop onto a bicycle** for a short ride of about 7km, over easy, level terrain, along narrow **village lanes**, past fruit orchards and local cottage industries. Locals will greet us along the way, with a hello or “xin chao” as we pedal by! We eventually arrive at the home of a tropical fruit farmer and will enjoy a **walk around his well-stocked orchard**, capitalising on the opportunity to taste some fresh fruit. Then we relax while enjoying the view from a **small sampan boat** as we are paddled slowly along **tropical canals**. Land at, and walk through, a **Mekong village** to a local home and enjoy a **home-hosted lunch** of Mekong Delta specialties. After lunch, a short walk takes us back to our coach for the 2-hour drive to Can Tho, and onto Chau Doc.

Arrive at our Chau Doc hotel for dinner and overnight.

## 21 OCTOBER | CHAU DOC – PHNOM PENH (CAMBODIA) | B D (2 NIGHTS)

After an early breakfast, we will transfer from our Chau Doc hotel to the pier for our **5-hour speedboat journey to Phnom Penh**, the **capital city of Cambodia**. Upon arrival, we will be met and transferred to our hotel. We will then enjoy a half day **city tour**, including inter alia, the Royal Palace and the Silver Pagoda. These are two of the most striking buildings in the capital which are considered to be some of the finest examples of Khmer architecture. They were initially constructed in 1866 by the French. The Royal Palace is home to the current King Norodom Sihamoni while the neighbouring Silver Pagoda stands out in its own distinctive way. The floor consists of over 5,000 solid silver tiles, to which the building owes its name. The building houses many gold and jewelled **Buddha statues**, including the highly-prized 17th Century baccarat crystal, Buddha. Other important buildings to be seen within the compound include: Wat Preah Keo Morokat (where Royal ceremonies are performed), and the stupas, such as King Ang Doung Stupa – the burial site of former King Norodom. We will then make our way to the **rooftop of the Foreign Correspondents’ Club** for an optional **sunset cocktail**, complete with a back drop of the sun, descending over the Tonle and Mekong Rivers.

Dinner and overnight at our Phnom Penh hotel.

## 22 OCTOBER | PHNOM PENH | B L D

Today we will learn more about the **turbulent Khmer Rouge years** with visits to Tuol Sleng, a high school turned **interrogation prison**, known as S-21 during the Khmer Rouge era and now a genocide museum; and Cheung Ek, a large memorial commemorating the **17 000 victims** who died under the reign of Khmer Rouge leader, Pol Pot, made famous by the movie “The Killing Fields”. While sombre, reminders of the cruelty of the Khmer Rouge regime, these visits will also provide an appreciation of the **struggle that Cambodian people** have faced and their tremendous courage to move on and rebuild their nation. Thereafter we visit the **National Museum**, designed in 1917 in Khmer style by a French archaeologist and painter. The museum houses Khmer art and sculptures from different periods of Cambodian history. After lunch at a local restaurant, return to our hotel for a short rest. In the early evening, when the sunlight fades and the neon lights appear along the river banks, a **small cruise boat** will take you out onto the river to view the city from a different perspective. Witness the sunset over the Royal Palace and the Mekong River while enjoying a drink and snack. Enjoy a **leisurely cruise** while taking in the sights along the river bank, including many local Cambodian families and friends socializing.

Cruise back to the port and transfer back to our hotel.

## 23 OCTOBER | PHNOM PENH – SIEM REAP | (2 NIGHTS) B L D

After breakfast, we will experience a fascinating journey by bus through the **Cambodian countryside** on the way to our hotel in **Siem Reap**. Upon arrival, start your first tour in Siem Reap. Located in the heart of Siem Reap, **Wat Damnak** is one of the town’s most beautiful pagodas, highlighted by French colonial architecture and a **spacious statue garden**. Bring along candles and incense sticks and participate in a private blessing ceremony performed by **local monks** who reside at the temple. Take a seat on a mat while the monks chant blessings and sprinkle holy water on you, a traditional practice which is believed to pass on the good luck of the gods. Afterwards, a **sacred thread** will be tied around your wrist for protection and good luck. Before leaving, receive a small keepsake from the monks to remind you of this special encounter.

In the evening, transfer to our Siem Reap hotel for dinner with **Apsara Dance show**.

## 24 OCTOBER | SIEM REAP | B L

Transfer by private vehicle to **Ta Prohm**, this **beautiful temple**, built in 1186 as a Buddhist temple, dedicated to the mother of Jayavarman VII, is one of **Angkor's jewels** and is overgrown with fig trees, giving a haunting yet exotic atmosphere. One of the largest temple sites in Angkor it took almost 80 000 people to maintain the temple. Drive a short distance to **Ta Keo**, which would have been one of the finest temples in Angkor had it been completed. Continue to **Angkor Thom**, not a temple, but an entire **walled city** of 9 square kilometres and the royal Capital from 1181. With a population of 1 million, it was far bigger than any city in Europe at the time. The centre piece is Bayon Temple crowned with **216 giant, smiling faces** of King Jayavarman VII. Also visit the Terrace of the Elephants and the Terrace of the Leper King, which houses almost perfectly **preserved carvings**.

Enjoy lunch and return to our hotel to relax. After a leisurely break our exploration continues as we enter the rear gate of **Angkor Wat** (early 12th century). Surrounded by a 190 metre wide moat, 1.5 kilometres by 1.3 kilometres it is claimed to be the largest religious building in the world. The temple, which **took 30 years** to construct & used the labours of **300,000 workers** was built as the earthly representation of the universe with it's central tower symbolizing Mt Meru which, Hindus believe, is at the centre of the Universe.

Later, return to our hotel late afternoon.

## 25 OCTOBER | DEPART SIEM REAP | B

We transfer from our hotel to the airport for our flight to Singapore and home; as we bid Singapore and the old countries of Indochina a fond "Totsiens", following a memorable tour to that exotic corner of the world!
